In the Matter of:

PURCHASED GAS ADJUSTMENT)
FILING OF THE UNION LIGHT) CASE NO. 8373-G REVISED
HEAT AND POWER COMPANY)

O R D E R

On April 16, 1982, the Commission issued its Order in Case No. 8373, approving certain rates and providing for adjustments of these rates on a quarterly basis in accordance with the provisions of the gas cost adjustment clause set forth therein.

On September 29, 1983, The Union Light, Heat and Power Company ("Union") filed a revised quarterly gas cost adjustment which is to become effective September 30, 1983, and is to remain in effect until December 30, 1983.

After reviewing the record filed in this case and being advised, the Commission is of the opinion and finds that:

(1) On September 9, 1983, the Commission issued an Order in Case No. 8373-G approving Union's filing of August 30, 1983, to be effective September 30, 1983.

(2) Subsequent to the issuance of the Order in Case No. 8373-G, Union's supplier, Columbia Gas Transmission Corporation, issued revised tariffs which result in an additional decrease in Union's cost of purchased gas.

(3) Union's notice of September 29, 1983, set out certain revisions in rates which Union proposed to place into effect, said rates being designed to pass on the wholesale decrease in gas costs from its supplier in the amount of \$588,425 or 5.3 cents per Mcf.

(4) Union proposes a gas cost recovery rate for exempt customers in the amount of \$4.727 per Mcf, a decrease of \$0.053 per Mcf. This decrease represents the effect of the supplier decrease.

(5) Union's adjustment in rates under the gas cost adjustment provisions approved by the Commission in its Order in Case No. 8373 dated April 16, 1982, is fair, just and reasonable and in the public interest and should be effective with bills rendered on and after September 30, 1983.

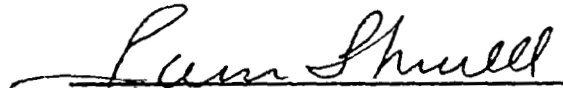

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective for bills rendered on and after September 30, 1983.

IT IS FURTHER ORDERED that the gas cost recovery rate for exempt customers shall be \$4.727 per Mcf effective for bills rendered on and after September 30, 1983.

IT IS FURTHER ORDERED that within 30 days of the date of this Order, Union shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky this 30th day of September, 1983.
